## PROFILE

A dedicated Frontend Developer looking for developer roles. After starting on the self-taught route, I went back to university for a more structured and rigorous programme of teaching and learning. I am currently studying MSc Software Engineering at Cardiff University. Studying on this course has allowed me to have a deeper understanding of different aspects of the software development process.

## WORK EXPERIENCE

### **Web Developer**

Freelance

2019 -Present

- Building websites and web applications for personal projects as part of my journey as a frontend developer.
- I built a photography website for a relative
- Worked with a real client to build a web application for a mental health charity based in Wales. This was part of my MSc Software Engineering semester 1 assessment.

### **Small Business Owner**

E-commerce - UK

2018 – 2020

- E-commerce business selling toys online.

### **Mediator**

Milton Keynes Community Mediation Service Limited

2010 – 2014

- Using Alternative Dispute Resolution (ADR) skills to work with residents in the Milton Keynes area to help them resolve neighbour disputes.
- Handled numerous cases involving disputes between neighbours over parking, access, noise nuisance, anti-social behaviour, harassment etc.

## **Legal Advisor**

Release

2008 – 2009

- Release is an agency that provides legal advice and arranges legal representation for people charged with the possession of drugs.
- I handled client queries over the phone and via email.
- Provided legal advice and guidance per clients' queries.

## **PROGRAMMING LANGUAGES**

HTML, CSS, JavaScript, Python, Java, SQL

## **TECHNOLOGIES/TOOLS**

Bootstrap, React, Tailwind, Terraform, Git, GitHub, Gitlab, OpenStack, Jenkins, Axure RP, MySQL Workbench, Mongo DB

## **METHODOLOGY**

Agile

## **EDUCATION**

**MSc Software Engineering** – Cardiff University

**Bachelor of Laws (LLB)** – London South Bank University

**A Levels** - Luton Sixth Form College
